SPECIAL AUDIT.

ANNUAL RETURNS OF ESTABLISHMENTS FOR 1ST JULY 1904.

Circular No. 2050—T. A. D. 1224, dated 18th June 1904.

1. The Comptroller has the honor to request that the Public Officers named below will be so good as to furnish this office with their Annual Returns of fixed establishments for the 1st July 1904, prepared in accordance with the instructions laid down in pages 25, 26 and 27 (Chapter 5), Volume 1 of the Sixth Edition of the Civil Account Code, so as to reach this office not later than the 15th September 1904.

2. The returns should be prepared on *no other* than the prescribed *printed form* to be had from the Superintendent of Stationery, and will show accurately the establishment as it exists on 1st July, and in preparing it, the following instructions should be carefully attended to:—

- (a) The name, designation, and pay of every gazetted officer, clerk, or menial servant holding a permanent appointment, whether on duty or absent on leave, or deputation, or under suspension, should be distinctly shown, with the exception of those exempted from keeping service books by Article 431 of the Mysore Service Regulations.
- (b) The date of birth, year, month and day of the appointment and of appointment to present post, and of promotion to present pay of each person, as well as the number and date of the Government Orders creating the post, should be clearly entered in the appropriate columns of the statement, the date of birth by Christian era should be given, and if the exact date is not known, the approximate date or year should be stated. This date can only be altered under the orders of the Local Government, except in the case of a clerical error. It should be noted that the column "Promotion to present pay" is to be filled in, only when the pay is progressive and the incumbent of the appointment is drawing pay in excess of the minimum.
- (c) The return should show accurately the sanctioned scale of permanent establishment, and so will include every post, whether filled up or not; and if a post be vacant, the word *vacant* should be set against it in the column of "Name of incumbent."
- (d) The names of gazetted officers should be entered first, and beneath them those of the clerks and servants in order of sections of the establishment: there should be a separate total for each section, besides the grand total.
- (e) The columns of Minimum and Maximum pay of post should be filled up only when the pay is progressive, i. e., rises from a minimum to a maximum by annual increment; and if any annual increment is given with effect from 1st July, it should be included in the return, and compared with the certificate (in Form No. 8) required by Article 62 which would accompany the July bill.
- (f) The name of any person acting in an appointment, as well as the acting allowance paid to him, should be shown in the column "Name of Incumbent" beneath the name of the absentee for whom he is officiating.
- (g) If the acting incumbent holds his permanent appointment upon another establishment, the fact should be stated, and the entry should be supported by a certificate from the head of that other establishment.
- (h) If any person on the establishment has attained the age of 55 years, the number and date of the orders of Government or other competent authority permitting his retention in the service, should be quoted in a note at foot of the return and the period for which his retention has been authorised should also be mentioned. If no orders have been received, the number and date of the application for sanction to his retention should be noted.
- (i) A detailed statement in Form 4 should be given at back of the original return, Form 3, showing new names of non-gazetted officers which are not found in the return of the previous year; and when these new names include those of persons who have entered Government service for the first time, a reference should be given to the bill with which their age and health certificates were furnished; and if they include the names of persons transferred from another appointment, those appointments should be specified, as well as the dates from which the transfers have effect. Columns are also provided in Form 4, for information required in regard to the names of non-gazetted officers which appeared in Form No. 3 of the previous year; but are now omitted; as also regarding non-gazetted officers who have been on leave other than privilege or casual, or under suspension, during the previous year. In the case of any who have been under suspension, a note is required stating whether it has been expressly declared that the period of suspension shall count as service qualifying for pension (Article 269 of the Mysore Service Regulations).
- (j) Separate returns on the same printed forms should be prepared for each permanent establishment existing on 1st July paid from *Local Funds*, and not more than one establishment should be exhibited on a single page. When the pay of any establishment or of any individual officer is met partly from General Revenues and partly from Local or other funds, the whole pay should be shown in one statement, and the portion payable from each source specified in a foot-note.

3. When completed in accordance with the above instructions, the detailed statement should be carefully checked with the service books, save in the cases excepted in clause (a), as it will be the chief authority by which hereafter pension claims will be tested. A certificate of this comparison should be endorsed on the return thus: "Compared with service books and found to agree."

4. This return should be accompanied by an abstract, which will link together the gross numbers shown in the budget estimate of each establishment and the nominal rolls in the book of establishment.

5. Slips of paper should not be attached at foot of the returns, but if space is found insufficient, application should be made to the Stationery Department for a sufficient supply of forms for insertion in book form. In cases where more than one sheet is required to be used, care should be taken to have the sheets stitched in book form before the entries are made therein.

6. Pay bills due 1st November will not be discharged at the Treasuries unless accompanied by a certificate as follows:—

(1) In the case of establishments of Heads of Departments "that the schedule for 1st July has been forwarded by this office."
